Claude Chandelier

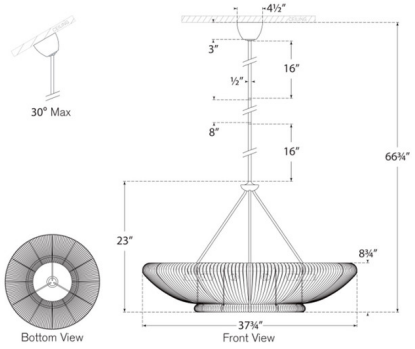

By Visual Comfort Signature

Description

The Claude Chandelier draws inspiration from iconic midcentury Italian lighting design. Expertly crafted in Italy using traditional Murano glass techniques, each hand formed piece features a softly ribbed texture elegantly arranged along a brass frame to form a graceful, curved silhouette. The graniglia inner glass, infused with delicate glass chips, softly diffuses the light, casting a warm and luminous glow throughout your space. Sloped ceiling to 30 degrees maximum.Note: Custom Overall Heights are available. For quotes, please contact our sales team.
