Connie Cordless Table Lamp

By Visual Comfort Signature

Description

The Connie Cordless Lamp captures the charm of a vintage brass candlestick in a refined, modern silhouette. Its streamlined cylindrical base features subtle stepped details inspired by traditional metalwork, while a pleated silk shade diffuses the light with soft, elegant texture. Remove cordless light module from lamp and charge using provided USB-C cord. Touch dimmer is on the light module to adjust between high, medium, and low settings. Includes a USB-C to USB-A adapter and charging plug. For best results, fully charge the battery before using. Note: Additional accessories of a remote controlled light module and a remote control are available, and sold separately below, to control your light remotely.
