Altamira Table Lamp

By Visual Comfort Signature

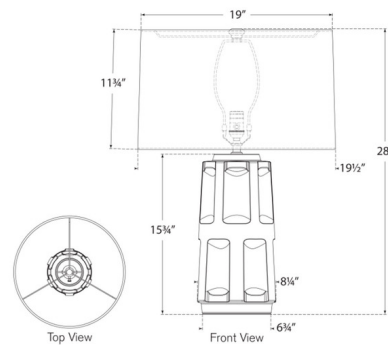

Description

The Altamira Table Lamp takes cues from the bold forms of ancient aqueducts and towers, reimagined with a modern focus on clean architectural lines. Its carved niches create a rhythmic interplay of light and shadow across the surface. Finished with a round linen shade, it features a dimmer switch conveniently located on the lamp socket. Note: Reactive ceramic glazes will vary in color and texture. No two pieces are identical.

Shown in dusted stone / linen
