Vesse Table Lamp

By Visual Comfort Signature

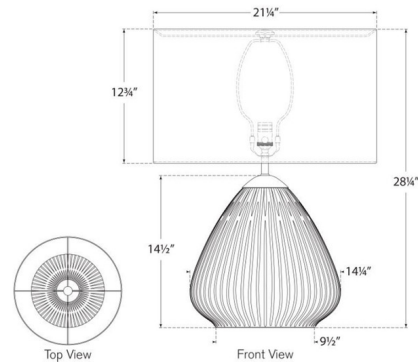

Description

The Vesse Table Lamp is inspired by the organic geometry of a seed pod or vessel. Its rounded silhouette and ribbed texture highlight the glazed ceramic surface, revealing subtle tonal variations that bring depth and warmth to the piece. Finished with a softly rounded shade, it casts a gentle, ambient glow that fills your room with warm layers of light and shadow. Dimmer switch is located on the lamp socket. Note: Reactive ceramic glazes will vary in color and texture. No two pieces are identical.
