Vendome Tall Cordless Wall Sconce By Visual Comfort Signature

Description

The Vendome Tall Cordless Wall Sconce reflects the refined symmetry and balance of Georgian design, interpreted with timeless elegance. Its tall, gently curved arm nods to traditional candlelight forms, while a slender, tapered shade casts a soft, flattering glow throughout your space. Remove cordless light module from lamp and charge using provided USB-C cord. Touch dimmer is on the light module to adjust between high, medium, and low settings. Includes a USB-C to USB-A adapter and charging plug. For best results, fully charge the battery before using. Note: Additional accessories of a remote controlled light module and a remote control are available, and sold separately below, to control your light remotely.
