Meurice Table Lamp

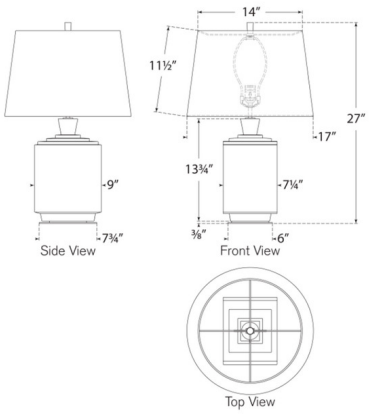

By Visual Comfort Signature

Description

The Meurice Table Lamp showcases a refined stepped silhouette inspired by classic French Art Deco design. Its geometric form evokes the grandeur of early skyscrapers and the glamour of the jazz age, bringing timeless architectural sophistication to any space. Finished with a subtly tapered round shade, it diffuses a warm, inviting glow that creates soft ambient light throughout the room. Dimmer switch is located on the lamp socket.Note: Reactive ceramic glazes will vary in color and texture. No two pieces are identical.
