Pop In 4 inch Round Color-Select Downlight w/Remote Driver

By WAC Lighting

Description

The Pop In 4 inch Round Color-Select Downlight w/Remote Driver is a minimum profile downlight with remote driver for remodel or new construction installations. Allows easy installation into shallow plenums. Features five color select options: 2700K/3000K/3500K/4000K/5000K. Available in a remodel and new construction housing option, both with remote driver. New construction option includes frame-in kit. A frame-in kit accessory may be purchased separately to convert remodel option to new construction. TRIAC and ELV dimming at 120V. 0-10V dimming at 277V.
