PH 1/1 Portable Lamp

By Louis Poulsen

Description

The PH 1/1 Portable Lamp features the smallest set of shades from designer Poul Henningsen's mathematically proportioned System PH, originally conceived in 1926. This portable version of the iconic mid-century design features a modern update while paying respect to the original concept. The PH 1/1 Portable Lamp features three mouth-blown opal glass shades which produce a pleasantly diffused glow from the integrated LED. The Warm Dim LED changes from a warm white 2700K color to an amber 1800K as the lamp is dimmed to create a cozy ambiance. PH 1/1 includes a built-in rechargeable battery that allows it to be placed anywhere it is needed. Includes USB-C/USB-C charging cable (wall plug adapter not included).

Shown in brass / opal

Specifications

COLOR Opal
BODY FINISH Brass
WATTAGE 2.5W
DIMMER Included
DIMENSIONS 6.3"W x 11.5"H x 6.3"D
BULB 1 x LED/2.5W/120V LED
