Roselle Color-Select Tiered Chandelier By Artcraft

Description

The Roselle Color-Select Tiered Chandelier blends midcentury modern inspiration with contemporary organic textures, creating a distinctive focal point for your interior space. Its sleek ring frame is elegantly accented by a continuous row of handcrafted glass panels, each featuring a unique ripple effect that appears frozen in time. Expertly illuminated, the artisanal glass radiates a warm, inviting glow, highlighting the intricate texture and craftsmanship of every individual piece. Notes Built in color temperature adjustability. Switch from 3000K/4000K/5000K. Due to the weight of this fixture, additional ceiling support is required.
