Verglas Rechargeable Table Lamp

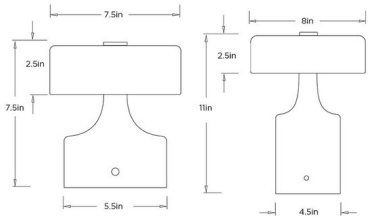

By Arteriors Home

Description

The Verglas Rechargeable Table Lamp is a playful study in geometry and proportion, bringing contemporary sculptural appeal to any setting. Crafted from iron with a rich English bronze finish, its compact silhouette balances bold design with understated elegance. Cordless and rechargeable, it offers effortless portability while casting a soft, ambient glow that enhances bedrooms, offices, and living spaces with warmth and modern sophistication. Powered by a rechargeable lithium ion battery, it provides up to 6 hours of illumination on a full charge. The battery recharges in approximately 6 hours via the included USB-C magnetic cable, while a built-in indicator light conveniently alerts you when the battery is running low.Make sure the product is fully charged before its first use. Solid Red means the fixture is charging. Solid Green means the fixture is fully charged. Tap the touch dimmer on the base of the lamp to turn the fixture on and off. Touch to adjust the brightness. When the battery capacity less than 10%, the indicate light will flash and turn red to indicate re-charging is needed.Note: No Antique Brass in the 11 inch height.
