Ova Multi Drop Chandelier

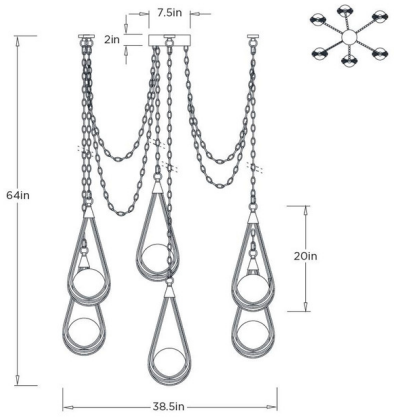

By Arteriors Home

Description

The Ova Multi Drop Chandelier reinterprets the timeless elegance of a pearl necklace as a luminous sculptural statement. Crafted from iron, each suspended drop appears to float effortlessly, echoing the delicate drape of fine jewelry. Adjustable chains descend from a central canopy and connect to six independent ceiling mounting points, allowing for a bespoke installation tailored to the space. With its graceful composition and contemporary sophistication, the Ova creates a captivating focal point that enhances both residential and hospitality interiors.
