Noble Chandelier

By Arteriors Home

Description

The Noble Chandelier introduces understated elegance to any interior. Six solid crystal forms are sculpted into an optical globe, shaping the pendant's distinctive shade. Its core is precisely carved to house a single light source, subtly concealed within a frosted finish that diffuses a soft, filtered glow. A refined band provides a clean, contemporary accent, completing the composition with quiet sophistication. Note: Includes ceiling mounts that can be repositioned to customize the fixture's overall width and height.
