Tebaldi Chandelier

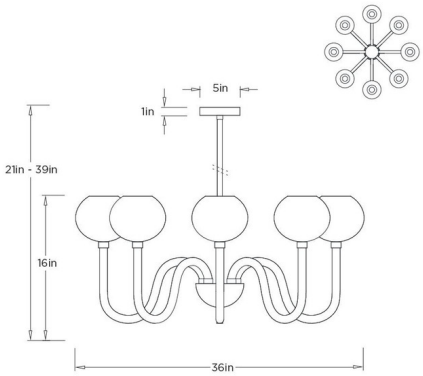

By Arteriors Home

Description

The Tebaldi Chandelier draws inspiration from the rich traditions of Venetian craftsmanship and Baroque artistry. Delicately formed from clear etched glass, its flowing arms curve into graceful, organic silhouettes that evoke both movement and sophistication. The textured glass softly filters illumination, enveloping the room in a warm, atmospheric glow. With its balance of elegance and approachability, the Tebaldi serves as a striking focal point, bringing timeless refinement to any interior.
