Javier Multi-Light Chandelier

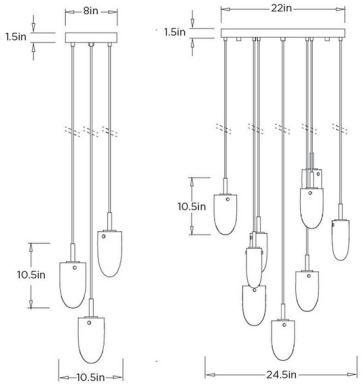

By Arteriors Home

Description

The Javier Multi-Light Chandelier makes a bold statement with its moody palette and elegant three-light composition. Suspended at varying heights, each bullet-shaped shade is crafted from crystal, offering rich depth and reflective brilliance that beautifully contrasts with the finished iron frame.The height of each pendant can be individually adjusted at the canopy, allowing for a customized arrangement that enhances the fixture's dramatic play of light and sculptural presence.
