Lumi Rechargeable Table Lamp

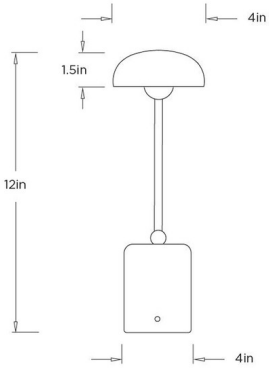

By Arteriors Home

Description

The Lumi Rechargeable Accent Lamp combines compact sophistication with modern convenience. Crafted from iron with a rich English bronze finish, it is accented by a base featuring a subtle faux black marble decal for added depth and elegance. Its cordless, small-scale design allows for effortless portability, making it an ideal lighting accent for offices, bedrooms, and living spaces. Wherever it's placed, the Lumi brings a warm, inviting glow and timeless style.Powered by a rechargeable lithium ion battery, it provides up to 6 hours of illumination on a full charge. The battery recharges in approximately 6 hours via the included USB-C magnetic cable, while a built-in indicator light conveniently alerts you when the battery is running low.Make sure the product is fully charged before its first use. Solid Red means the fixture is charging. Solid Green means the fixture is fully charged. Tap the touch dimmer on the base of the lamp to turn the fixture on and off. Touch to adjust the brightness. When the battery capacity less than 10%, the indicate light will flash and turn red to indicate re-charging is needed.

Shown in black marble / english bronze
