Chanell Rechargeable Table Lamp By Arteriors Home

Description

The Chanell Rechargeable Table Lamp combines the natural beauty of Calacatta Viola marble with the timeless appeal of an antique brass finish. Featuring a slender marble cone base and a gracefully tapered shade, this cordless design casts a warm, sophisticated glow while showcasing the striking contrast of its rich materials. Elegant and portable, it brings refined ambiance to any setting. Powered by a rechargeable lithium ion battery, it provides up to 6 hours of illumination on a full charge. The battery recharges in approximately 6 hours via the included USB-C magnetic cable, while a built-in indicator light conveniently alerts you when the battery is running low. Make sure the product is fully charged before its first use. Solid Red means the fixture is charging. Solid Green means the fixture is fully charged. Tap the touch dimmer on the base of the lamp to turn the fixture on and off. Touch to adjust the brightness. When the battery capacity less than 10%, the indicate light will flash and turn red to indicate re-charging is needed.

Specifications
