Raphael Rechargeable Table Lamp

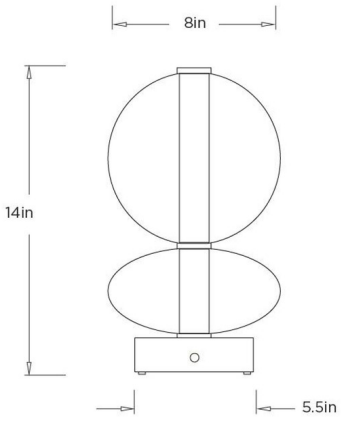

By Arteriors Home

Description

The Raphael Rechargeable Table Lamp strikes a sophisticated balance between organic form and contemporary design. Showcasing totem-inspired cast glass silhouettes, this cordless lamp emits a warm, sculptural glow that brings artistic elegance to any workspace or living area.Powered by a rechargeable lithium ion battery, it provides up to 6 hours of illumination on a full charge. The battery recharges in approximately 6 hours via the included USB-C magnetic cable, while a built-in indicator light conveniently alerts you when the battery is running low.Make sure the product is fully charged before its first use. Solid Red means the fixture is charging. Solid Green means the fixture is fully charged. Tap the touch dimmer on the base of the lamp to turn the fixture on and off. Touch to adjust the brightness. When the battery capacity less than 10%, the indicate light will flash and turn red to indicate re-charging is needed.
