Elsa Wall Sconce By Arteriors Home

Description

The Elsa Wall Sconce is conceived as luminous wall jewelry, bringing artistry and elegance to the home. Crafted from natural onyx and framed by an organically contoured aluminum mount, each fixture showcases the stone's distinctive veining and natural variation, making every piece unique. Its slender profile enhances the design's refined silhouette, while the illuminated onyx radiates a warm, inviting glow. Rich in texture and character, Elsa introduces a sense of understated decadence and timeless sophistication to any interior.
