Muscadine Floor Lamp

By Arteriors Home

Description

The Muscadine Floor Lamp draws inspiration from the elegant curves of muscadine leaves, translating nature's fluid forms into a striking sculptural statement. A hand-forged iron stem rises in a dramatic arc, creating a sense of movement and visual intrigue, while a solid white marble base anchors the design with timeless sophistication. Grand in scale yet graceful in form, the Muscadine delivers a focused, ambient glow, making it an ideal centerpiece for expansive living spaces where artful design and functionality coexist. On/Off foot switch is located on the cord.
