Decora Chandelier

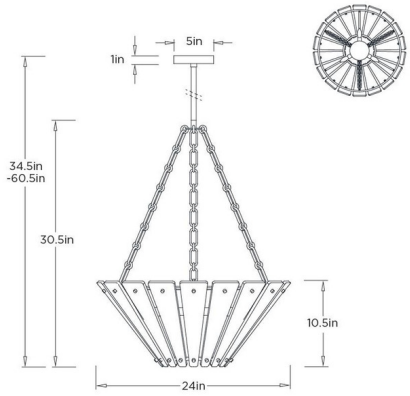

By Arteriors Home

Description

he Decora Chandelier features a distinctive tapered silhouette, defined by angular planes that evoke a sense of movement and fluidity. Textured smoke glass panels are carefully arranged to capture, reflect, and diffuse light, creating a rich interplay of shadow and illumination. The result is a moody yet elegant presence, enhanced by its sculptural form and clean geometric lines. Bold and contemporary, the Decora Chandelier serves as a striking focal point in modern living and dining spaces.
