Lumora Chandelier

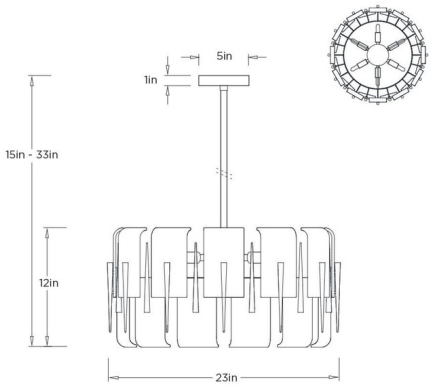

By Arteriors Home

Description

The Lumora Chandelier showcases a striking composition of layered smoke slump glass panels accented by decorative metal spikes. Each textured glass element captures and softly diffuses light, creating a warm amber glow that shimmers through its rippled surface. The contrast between the sculptural glass forms and the dark metal detailing adds depth, dimension, and visual intrigue. Elegant yet dramatic, this statement chandelier brings a sophisticated ambiance to living rooms, dining areas, and other refined interiors.

Shown in blackened iron / smoke
