Scopello Table Lamp

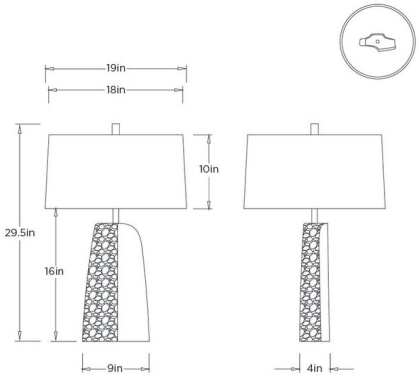

By Arteriors Home

Description

The Scopello Table Lamp is defined by its bold, asymmetrical silhouette, crafted from antiqued cast aluminum with a striking interplay of texture and form. One side showcases a richly textured, hand-worked surface, while the other remains smooth and understated, creating a captivating contrast that highlights its sculptural character. Architectural and artful, this statement table lamp brings visual weight, tactile depth, and sophisticated presence to living spaces and curated interiors. Three-way rotary switch is located on the lamp socket.
