Lulu Chandelier

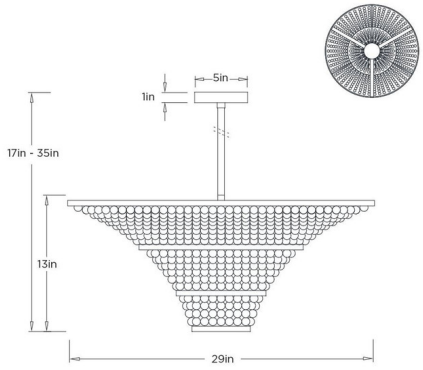

By Arteriors Home

Description

The Lulu Beaded Chandelier draws inspiration from the graceful silhouette of an open parasol. Cascading strands of luminous beads are suspended from an iron frame, creating a layered composition rich in texture and movement. As light filters through the delicate beading, it casts a soft, inviting glow throughout the space. Sculptural yet airy, this statement chandelier brings warmth, elegance, and refined character to entryways, breakfast nooks, and living areas.
