## Lulu Chandelier

By Arteriors Home

### Description

The Lulu Beaded Chandelier draws inspiration from the graceful silhouette of an open parasol. Cascading strands of luminous beads are suspended from an iron frame, creating a layered composition rich in texture and movement. As light filters through the delicate beading, it casts a soft, inviting glow throughout the space. Sculptural yet airy, this statement chandelier brings warmth, elegance, and refined character to entryways, breakfast nooks, and living areas.
