Cabo Linear Chandelier

By Arteriors Home

Description

The Cabo Linear Chandelier brings organic beauty and artisanal texture to interior spaces. Crafted from coconut shells arranged in a naturally layered composition, it showcases the unique character of its materials while creating depth and visual interest. Its elongated silhouette makes a striking statement, while the shells softly diffuse light to cast a warm, inviting glow. Natural yet sophisticated, this chandelier adds warmth and distinctive texture above dining tables, kitchen islands, or living areas.
