Etosha Bookend Set of 2

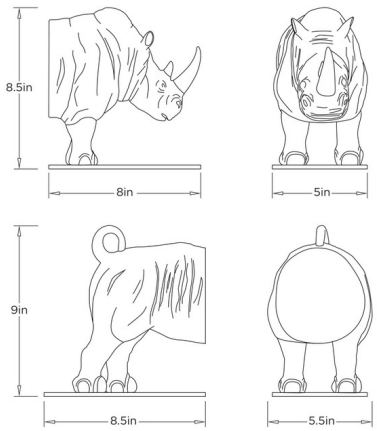

By Arteriors Home

Description

The Etosha Bookends draw inspiration from the powerful form of the rhinoceros, embodying a sense of strength, permanence, and natural beauty. Crafted from a charcoal lava stone composite, each piece showcases a richly textured, porous surface that reflects its rugged origins. Sculptural and substantial, this distinctive set brings depth and character to bookshelves and consoles, grounding contemporary interiors with an organic presence.

Shown in charcoal
