Loryn Tiered Chandelier

By Arteriors Home

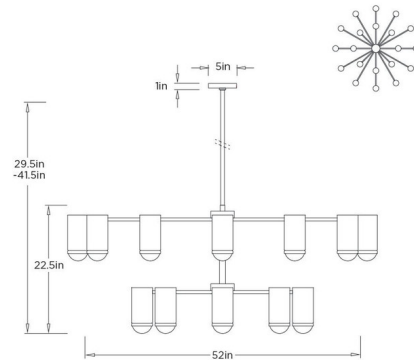

Description

The Loryn Chandelier captures the elegance of a modern constellation, bringing sculptural sophistication to any interior. Cylindrical textured shades surround luminous white alabaster, casting a warm, softly diffused glow. Its multi-tiered silhouette creates a sense of depth and movement, while the balanced interplay of form and light makes it a striking focal point above dining tables, living areas, and grand gathering spaces.

Shown in antique brass / white
