Titus Ottoman

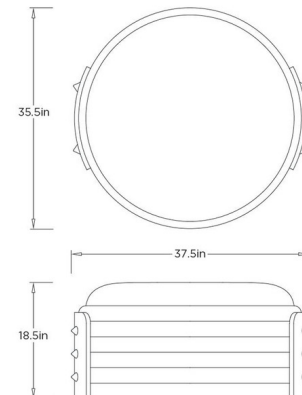

By Arteriors Home

Description

The Titus Ottoman reimagines the timeless elegance of a cuff bracelet through a bold, sculptural form. Upholstered in supple taupe suede, its cylindrical silhouette is accented with horizontal channel tufting that evokes the layered sophistication of fine jewelry. Black-finished metal bands encircle each side, creating a striking contrast and lending a contemporary edge to the design. Equal parts functional and artistic, the Titus Ottoman serves as a distinctive accent piece that brings texture, refinement, and modern luxury to any interior.
