Tempus Wall Mirror

By Arteriors Home

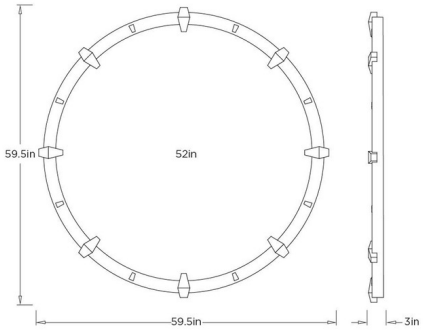

ADA

Description

The Tempus Mirror features a frame inspired by the bezel of a watch, meticulously crafted from umber-toned mango wood. Textured brass-finished clasps and geometric inlays echo the look of watch indices, adding precision and detail to the design. The interplay between the warm, organic wood grain and the rugged metallic accents creates a refined balance of industrial character and natural warmth. Includes hanging hardware.

Shown in umber / mirror
