ADA

Description

The Makeda Mirror draws inspiration from the rhythmic geometry of a handcrafted wooden necklace, translating its distinctive form into a sculptural statement piece. Crafted from mango wood and finished in a weathered smoke tone, the frame beautifully showcases the material's natural grain and character. Defined by clean, block-like segments and rich tactile texture, the Makeda balances artisanal craftsmanship with modern refinement, bringing warmth, depth, and understated elegance to any interior. Includes hanging hardware.Note: The weight of this mirror is 121 pounds.
