Levant Wall Mirror

By Arteriors Home

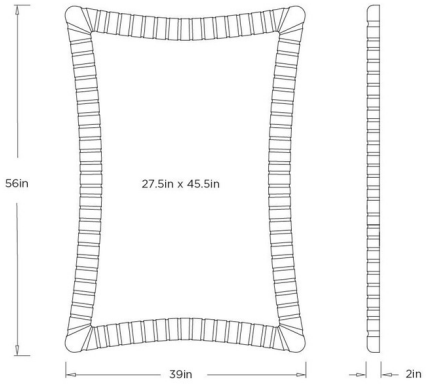

ADA

Description

The Levant Mirror is distinguished by a rhythmic arrangement of hand-carved elements that evoke the look of an oversized wooden necklace. Crafted from ebony-finished mango wood, its rich, dark tone accentuates the sculptural form and intricate craftsmanship. Both artistic and architectural, the Levant brings warmth, texture, and a striking sense of dimension to any space. May be mounted horizontally or vertically. Includes hanging hardware.

Shown in ebony / mirror
