Neushoorn Centerpieces Set of 2

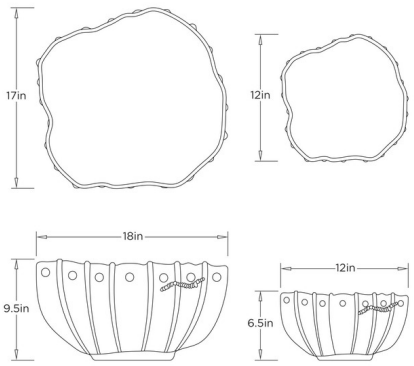

By Arteriors Home

Description

The Neushoorn Centerpieces draw inspiration from the quiet strength and enduring presence of the rhinoceros. This sculptural bowl set features shield-like forms with gently contoured edges, balancing bold character with refined elegance. Substantial in feel yet graceful in silhouette, each piece showcases subtle curves that enhance its sense of harmony and craftsmanship. Displayed together or individually, the bowls deliver both practical function and striking visual appeal.
