Bahati Dining Chair

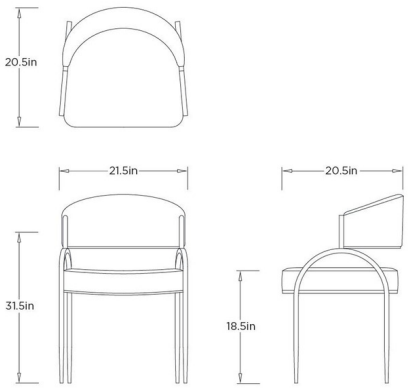

By Arteriors Home

Description

The Bahati Dining Chair balances sculptural simplicity with artisanal craftsmanship. Its gently curved back and generously proportioned seat are upholstered, offering rich texture and subtle tonal variation. Slender hand-forged iron legs form a refined architectural frame, showcasing the beauty and integrity of the metalwork through their clean, elegant lines. Understated yet sophisticated, the Bahati brings warmth, comfort, and timeless character to the dining table. For a softer, matte appearance, the iron legs can be lightly brushed with a Scotch-Brite pad to reduce their sheen.
