Soko Cocktail Cabinet

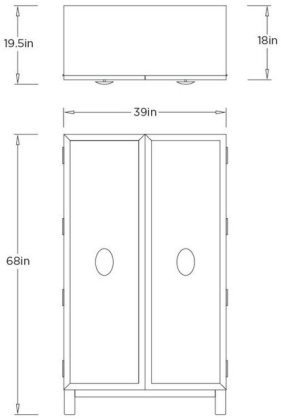

By Arteriors Home

Description

The Soko Cocktail Cabinet transforms texture into an art form. Inspired by the delicate, timeworn beauty of traditional Japanese crackle finishes, its doors are enveloped in meticulously applied crackle lacquer, creating a luminous, mosaic like surface rich in depth and character. Organic, pebble shaped pulls introduce a subtle sculptural element, enhancing the cabinet's tactile appeal and contemporary elegance. Thoughtfully designed for both beauty and function, the interior offers generous storage, a serving tray, and removable shelving, making it an exceptional piece for sophisticated entertaining.
