Cavalle Object

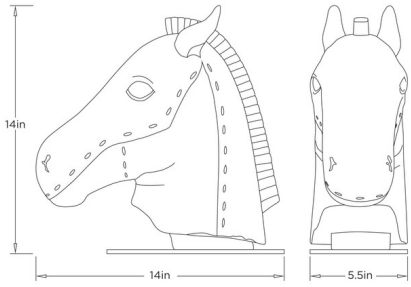

By Arteriors Home

Description

The Cavalle Sculpture celebrates the timeless elegance of the horse, capturing its noble profile with a sense of quiet strength and refined grace. Expertly crafted from riverstone composite, the piece features a smooth, subtly textured finish that enhances the flowing contours and sculptural beauty of its form. Whether displayed on a console, bookshelf, or tabletop, this sophisticated accent brings organic warmth, enduring character, and a touch of equestrian-inspired artistry to any interior.
