Luca Object

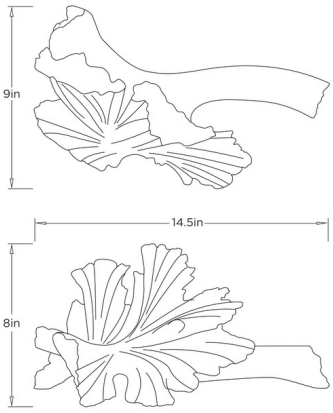

By Arteriors Home

Description

The Luca Sculpture draws inspiration from the organic beauty of the wood ear mushroom, transforming its distinctive ruffled form into a striking decorative object. Crafted from resin, the piece showcases flowing contours and intricate ridges that echo the graceful patterns found in nature. Whether displayed on a bookshelf, console, or coffee table, it brings an understated elegance and contemporary organic aesthetic to any interior, celebrating the harmony between natural form and modern design.

Shown in matte white / blue graphite
