Stick System Pendant

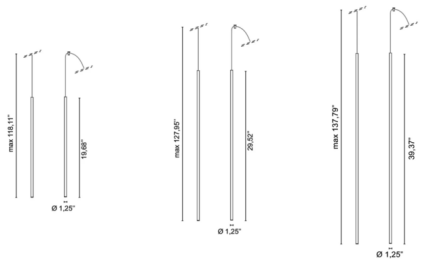

By Egoluce

Description

The Stick System Pendant is part of a modular, customizable system that can be used to create bespoke lighting arrangements. The pendant features a sleek, cylindrical silhouette for a minimalist, modern look. It is available with a 48 degree optic for a defined, directional light beam or with a Satin optic for more general, diffused lighting. Note: The canopy with driver for the Stick System Pendant is not included and must be purchased separately.
