Vosh Smart Ceiling Fan with Light

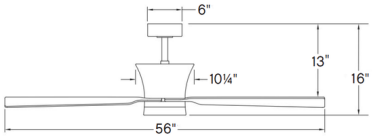

By Hinkley Lighting

Description

A clean, midcentury modern style that's perfect for bedrooms, living spaces, and bathrooms, the Vosh Smart Ceiling Fan with Light's transitional design with sleek blades is enhanced by integrated LED uplighting and downlighting. Set the scene for any occasion with dimmable illumination that can be controlled together or separately with the included HIRO control. Thick, double-walled acrylic glass below the lower light kit adds an extra contemporary touch, complemented by versatile finishes to match any decor palette. Fans should be installed at a minimum of 7 feet from the floor. Fan control and light kit cover included.
