65K DC Full Function Wall Control

By Kichler

Description

Featuring a slim profile and modern design, the 65K DC Full Function Wall Control is easy to install and can be paired with most Kichler DC fans. This wall control offers 6 speeds, breeze mode, the ability to dim a light, and a reverse button. The included transmitter is mounted to the wall back plate. 65,000 remote frequency options allow you to set the transmitter without worrying about interference.
