Calyx LED DC Ceiling Fan

By Kichler

Description

The Calyx LED Ceiling Fan combines industrial precision with natural warmth, featuring hand-carved solid wood blades. Its sleek 3-blade form delivers smooth airflow, while its integrated energy-saving LED light sits flush for a minimalist profile. A high-efficiency DC motor allows the fan to run whisper-quiet. Use the included full-function remote (C2672), in addition to smart home integration powered by the Bond Home App and voice assistants like Amazon Alexa and Google Home.
