## PLC Landscape Dimmer 12V

By Kichler

### Description

Offering true 100% to 10% dimming capabilities and consistent flicker-free performance, the PLC Landscape Dimmer ensures dependable and high-quality illumination superior to phase-cut dimmers. The dimmer has a compact and durable stainless-steel housing that resists environmental elements, eliminating the need for a weatherproof box and its straightforward wiring makes installation easy. Use with up to 20 Kichler PLC compatible outdoor fixtures. Requires a transformer, sold separately (Kichler Pro-Contractor Transformers, SKUs 15PCxxxSS).

### Specifications
