Sorin Task Light

By Modern Forms

Description

The Sorin Task Light redefines bedside lighting with a rich blend of natural materials and intuitive functionality. A refined housing is made of either Basalt or Travertine, imparting an organic texture, and set with sleek metal details. The light head is adjustable, tilting 30 degrees left and right light, and is powered by LEDs for impeccable clarity. Convenient USB & USBC ports are located at the bottom, along with an easy on/off switch. The Sorin is the perfect work hub for a bedside or workspace.
