## Zayle Task Light By Modern Forms

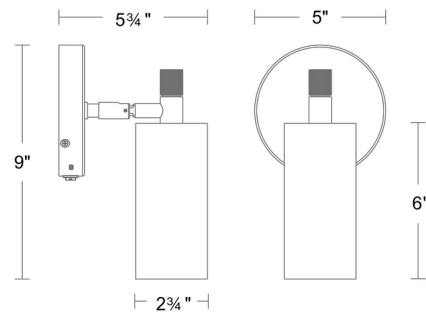

### Description

The Zayle Task Light blends modern functionality with artisanal details. An enchanting Spanish alabaster cylinder is set with a knurled metal detail and arm for a touch of industrial energy. A hinge point allows the cylinder to tilt up to 45 degrees away from the wall and 45 degrees right and left. USB and USBC ports and a toggle on/off switch make this sconce the perfect work hub for a beside table or over a desk.

Shown in aged brass / alabaster
