Poplin Pendant

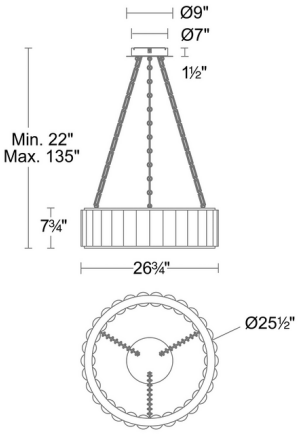

By Modern Forms

Description

The Poplin Pendant reimagines traditional textile design for the modern home. A sculptural drum shade is formed by a ring of fabric cylinders that diffuse light with gentle warmth, providing a soft, inviting ambiance. Suspended by chains, the refined silhouette is a versatile centerpiece for a dining room, kitchen, or even an entryway. This fixture is compatible with the WAC Home system to deliver Tunable White and Dim-to-Warm lighting (1800K-4000K).
