Gatlin Color-Select Pendant

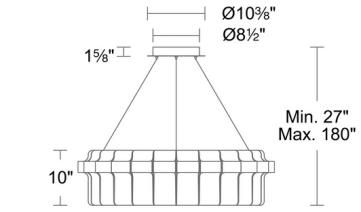

By Modern Forms

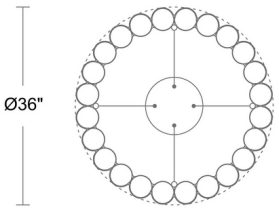

Description

The Gatlin Color-Select Pendant reimagines a drum chandelier for the modern home. To create the dramatic shade, open cylinders are arranged in a ring and set with an integrated LED module. Each one glows softly downward to provide ample lighting on a surface below. Place this pendant over a dining table, entry, or anywhere you need a refined focal point. LED color selectable options include 2700K, 3000K, 3500K, and 4000K.

Shown in black / brushed nickel
