Kiernan Pendant

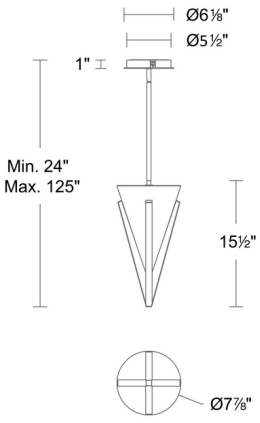

By Modern Forms

Description

The Kiernan Pendant turns sustainable material into modern art. Made from reclaimed crystal, its elongated, cone-shaped silhouette is full of dazzling sparkle. A metal frame defines the edges and provides a clean, modern contrast. Suspended over dining table, kitchen island, or entryway, it delivers luminous drama with an eco-conscious twist. The Kiernan is compatible with WAC Home system for Tunable White and Dim-to-Warm lighting (1800K 4000K).
