Ballarina Color-Select Pendant

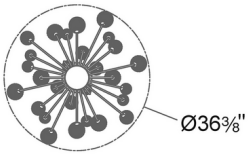

By Modern Forms

Description

The Ballerina Pendant transforms illumination into a choreographed show of hue, texture, and motion. Its blossom-like silhouette features a cascade of champagne and smoked colored optic glass globes, each glowing softly in a play of light and shadow. The result is a statement piece that's as artistic as it is functional. LED Color select options include 2700K, 3000K, 3500K, and 4000K.
