## Kastlerock Color-Select Wall Sconce By Modern Forms

### Description

The Kastlerock Wall Sconce features a sophisticated blend of natural materials. A curved metal plate forms a sleek front, hiding an energy-efficient integrated LED module in the center. A travertine stone slab provides a unique backplate with stunning natural texture. When illuminated, the LED washes upward and downward across the stone. Perfect for a hallway, entry, or formal dining room. LED color selectable options include 2700K, 3000K, 3500K, and 4000K.
