Okemo Color-Select Wall Sconce

By Modern Forms

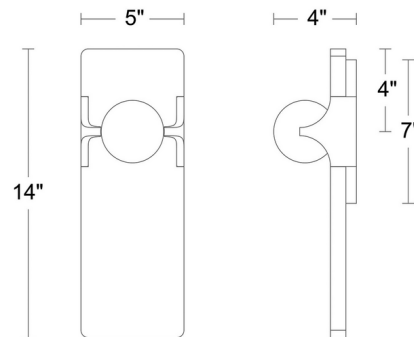

Description

The Okemo Color-Select Wall Sconce is a study in contrasts. The timeless beauty of basalt or travertine is paired with the soft, sculptural glow of etched opal glass. An integrated LED module provides a soft wash of light that highlights the textural qualities of the vertical stone slab. Perfect for a hallway, powder room, or formal dining room. LED color select options include 3000K, and 4000K.

Shown in aged brass / beige travertine
