Conan Color-Select Wall Sconce

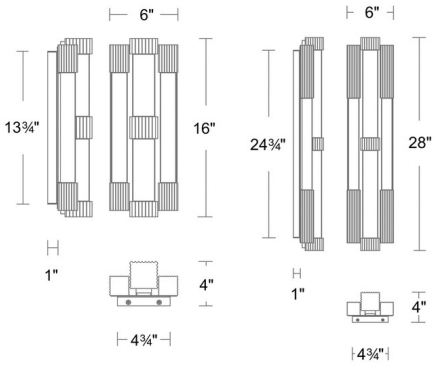

By Modern Forms

Description

The Conan Wall Sconce blends natural textures with crisp minimalism. With a frame made from either basalt stone or travertine, the sconce features a richly textured surface ready to match any design scheme. Frosted mitered glass adds a modern touch, and allows the integrated LED module to provide a soft, even glow. LED color selectable options include 2700K, 3000K, 3500K, and 4000K.

Shown in black / basalt stone
